12/3/13

I am writing to thank the Howard Fire Dept., County Rescue and police Dept. for the excellent response we received from them on Friday, Nov. 29. They arrived within five minutes of my call. My daughter, Jenna Dais, was transported to St. Vincent Hosp. after a farm accident.

The EMT's, Fire Dept. and police officer, Greg Tilly, and another officer, were extremely professional and sensitive to her pain.

We are lucky to have such a great team of men & women to serve us.
