Chief Ed Gabrke and the Howard fire department —

Thank you for the great experience my family had with the Howard Fire Department last week! We had previously purchased a raffle item from the giving tree for a day with the firefighters, including lunch and a ride on a fire truck. Your firefighters were amazing with the kids and made them feel so special! Your team went above and beyond as usual and provided us with memories that will last a lifetime! My son Carter can't wait to get there for the next open house!!

Thanks Again!

Thank you for all you do!!
