"Lead with the 'Stache Dash"

...a fun run commemorating CPL Justin Ross KIA March 26, 2011

& raising funds for the Village of Howard Trails

Thank you so much for donating to the CPL Justin Ross Memorial Trail. This year's fun run, the "Lead with the Stache Dash" could not have happened without your generosity. Already the families of northwest Green Bay have been enjoying the park and trail made possible through your help.

Our own family also finds healing as we walk through this trail that our son's sacrifice made possible. Then as we think about our freedoms we realize many have paid the ultimate sacrifice that makes our daily way of life possible.

We count you and your business as those who value the quality of life in our community!

Sincerely,

A handwritten signature in cursive that reads "Ron & Debbie Ross".
