

“Lead with the ‘Stache Dash”

*...a fun run commemorating CPL Justin Ross KIA March 26, 2011
& raising funds for the Village of Howard Trails
www.justinstrail.com*

Jon Rupno,
(leisure services director Village of Howard)

Please consider this a special use request for the Mills Center Park in the village of Howard for Saturday September 14, 2013.

Following are the things we'd like to do in relation to the **Fun Run** on Saturday.

- Set up 20x20 tent in the open field - On Friday September 13th, at about 5:00 p.m.
- Re-enforced audio for vocal and music - Saturday September 14th, 8:00 am
- Between 50 and 200 people (children, people in costumes, possible strollers) leaving at 9:00 am from the CPL Justin Ross Memorial trail head and following the route, Spencer's Crossing, left onto Old Shawano, left onto Greenfield Ave, left onto Glendale Ave, left onto Old Shawano, and finally left into the Mills Center park (directly off Old Shawano)
- Two water stations with garbage cans at each. (Jay Faikel's Driveway, single parking space entrance to trail (Glendale Ave side)
- News media on site for coverage
- 11:00 a.m. Saturday September 14th, 2013 dedication of the monument at Cpl Justin Ross Memorial trail head.
- Run Marshall's at the corners of Shawano/Greenfield, Greenfield/Glendale, Glendale/Old Shawano. (We hope to involve Army and possibly Fire Dept.)

Please share the above request with Deputy Jim Dagneau, Geoff Farr, and any Village of Howard staff needed.

Our intention is to begin this memorial event and fundraiser annually on the Saturday following September 11th each year. The funds raised will be split between the development of the trail at Mills Center Park and toward the Wounded Warrior project.

Thanks so much for your consideration.

Ron and Debbie Ross
