In the Spring Green Park area there are several parcel boundaries that were thrown off by bad surveying in the 1960s and 1970s. The Pelishek Family lives at 3766 Spring Green Road, and they share a common lot line with Spring Green Park. The current Brown County Surveyors Map shows the western property line of Spring Green Park passes through the Pelisheks' home. Staff is working with the Pelisheks to establish a boundary line that reflects what the Pelisheks thought they had owned and what they have been maintaining. At a future Village Board meeting, staff will be proposing deeding property to the Pelisheks to clear up the mistake.
