VILLAGE BOARD MEETING STAFF REPORT

REPORT TO: Plan Commission

REPORT FROM: Dave Wiese, Community Development Director

AGENDA ITEM: **Review and discuss the proposal to rename parts of Dousman Street and Shawano Avenue located within the Village of Howard**

ACTION REQUESTED: Ordinance Resolution Motion Review/Discussion

The 29/41 reconstruction has had a dramatic impact on the local roads in and around the 29/41 interchange. The project will cause some of the local roads to be “cut off” and will also cause the creation of new roads. The Village will need to consider the naming of the new roads that are being constructed, as well as the old roads that are no longer connected. Attached is a map of the area in which the majority of the impacts will be felt.

Staff has notified the property owners along Dousman Street regarding the proposed name changes. On new “Shawano Avenue” there aren’t any properties with Shawano Avenue addresses.

The next step in the process would be to prepare a resolution for the Village Board with suggested name changes.
