Hi! I'm a resident living on Clear Brook Circle. First, I'd like to say thank you for providing this information electronically. It's very helpful and saves trees.

Second, I won't be able to attend the public hearings, but I'd like to throw my support behind the expansion of the Green Bay Bus Service to Howard. In addition to the locations listed in the presentation I would like to see a stop somewhere in the vicinity of Cardinal Ave. and Lineville Rd. I would certainly consider taking a bus to and from work in downtown Green Bay if this service was offered.

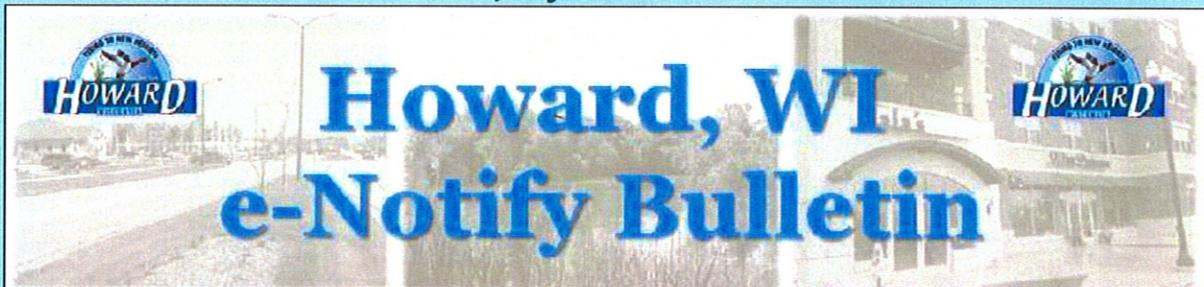

Thank you.
