Subject: US 41 Project, Brown County  
Closure of the Lakeview Drive bridge at US 41

Dear business owner / operator:

The Wisconsin Department of Transportation (WisDOT) is planning to replace the Lakeview Drive bridge as part of the US 41 Project. The purpose of this letter is to notify you of the upcoming bridge closure. Construction activities and the bridge closure are scheduled to begin in mid-August. The new bridge is expected to reopen in December of this year. While the Lakeview Drive bridge is being replaced, use Lineville Road (County M) as an alternate route across US 41.

WisDOT also wants to alert you to the upcoming Lineville Road and Velp Avenue business group meeting (morning) and public information meeting (evening) currently scheduled on **October 17, 2012 at the US 41 Brown County Project Office, located at 1940 West Mason Street.** These meetings will provide an update on the transportation management plans, upcoming construction activities and schedules and business signing opportunities during construction. WisDOT will be sending you an invitation to the business group meeting in mid-September.

Please visit the US 41 Project website, [www.US41wisconsin.gov](http://www.US41wisconsin.gov) for more details on US 41 construction and traffic impacts. A project brief for the Lakeview Drive bridge is available at [www.us41wisconsin.gov/overview/about-the-project/brown-county](http://www.us41wisconsin.gov/overview/about-the-project/brown-county). Should you have any questions, please feel free to contact our Project Construction Leader, Jack Laning, P.E. at (920) 209-0023 or via email at [JLaning@KLEngineering.com](mailto:JLaning@KLEngineering.com). In addition, Regional Communication Manager Kim A. Rudat can be reached at (920) 492-5743 or via email at [Kim.Rudat@dot.wi.gov](mailto:Kim.Rudat@dot.wi.gov).

Sincerely,

Eric Gwidt, P.E.  
US 41 Construction Project Manager
