VILLAGE BOARD STAFF REPORT

REPORT TO: Burt R. McIntyre, President, and Village Board of Trustees

REPORT FROM: Dave Wiese, Executive Director of Community Development

AGENDA ITEM: **Approve Ordinance 2012-18, amending Section 50-1370(2) of the Zoning Ordinance pertaining to the maximum permitted height for on-premise signs erected along US Highway 41**

ACTION REQUESTED: ___Ordinance ___Resolution Motion ___Receive/File

RECOMMENDED ACTION

The Plan Commission unanimously recommended approval of the ordinance, which would change the maximum height for on-premises signs along U.S. 41 from 30 feet to 40 feet.

BACKGROUND

The Village has received numerous inquiries from property owners regarding on-premise signs along U.S. Hwy 41. As everyone is aware there are considerable improvements being done as part of the interstate conversion. In many instances the off ramps and main line may be going up in elevations. The current maximum sign height in the B-2 Highway Commercial Zoning District is 30 feet. Staff is proposing to raise the maximum sign height in the B-2 district to 40 feet for parcels that have highway frontage. Several signs in the area have received variances in the past and are taller than the 30-foot maximum that is currently allowed.
