This is an e-mail we received from the Kane Family. Their son Bryce was a guest of honor for the Jerry Parins Cancer Ride that started at Vandervest Harley on Saturday. Bryce who is in the picture is working through the stages of treatment for a rare cancer that he has been diagnosed with. Members of the Fire Department were honored to participate in this event and provide an opportunity for Bryce to smile.....

To the Howard Fire Department:

Our family cannot express enough, how grateful we are to everyone that was involved in the events that took place on Saturday June 9th. This was a humbling experience and we are amazed at the amount of support that we felt. Thank you for making this such an incredible experience for our son Bryce and for us.

We are sending these photos so that you can share them with others.

What you all have done is very special and we hope others will appreciate that as well. If there are other photos please be sure to forward them back to us. Thank you again!

--

Thanks,

Robert R Kane
