PRELIMINARY ESTIMATE OF JANUARY 1, 2011 POPULATION

Dear Municipal Clerk:

The Demographic Services Center's preliminary estimate of the January 1, 2011 population for the VILLAGE OF HOWARD in BROWN County is **17,728**. This represents a change of 329 persons (1.9 percent) since the 2010 Census.

Wisconsin's total population is estimated at 5,694,350 which is a change of 7,364 persons and 0.1 percent.

Following is a summary of the data we used in estimating your population:

In addition, in response to our housing survey that we sent you earlier this year, your municipality reported a net change of 217 housing units for calendar year 2010. (If we did not receive a survey from you, we estimated your change in housing stock or used other sources.)

Approximately 12,997 of the estimated population for the VILLAGE OF HOWARD are of voting age. This courtesy estimate helps you to comply with Wisconsin Statute 5.66, which requires municipal clerks to approximate the number of electors prior to elections. The voting age population was calculated by applying the census proportion of persons over 18 to the preliminary January 1 estimate. Please note that, if you have an adult correctional facility in your municipality, its population is included in this voting-age estimate.

If you believe that your Census 2010 population count may be in error, please contact the Demographic Services Center's staff. We can assist you with the Census Bureau's Count Question Resolution Program.
