RE: Forest Glen PTO Spring Carnival

Dear Mr. Janke:

We would like to take this opportunity to say thank you for your generous donation for our Spring Carnival. With your donation we were able to carry out a very successful carnival. Many families were able to enjoy the evening, which was affordable due to the generosity of numerous individuals in the community as well as local businesses. The Spring Carnival also helped raise funds for Forest Glen. These funds will go toward assisting the school with enrichment activities for each and every student.

Thank you again for your support.

Sincerely,

The Spring Carnival Committee
