Ed Janke
2456 Glendale Avenue
Green Bay, WI 54313

Dear Ed Janke,

Twenty-four hours a day, 365 days a year, the American Red Cross has stood ready to offer lifesaving programs thanks to your generosity and commitment of time and energy serving as an American Red Cross board member.

Your support of our humanitarian mission helped us meet the demands of our greatest needs, from teaching skills that can save a life to offering hope in the immediate aftermath of a disaster.

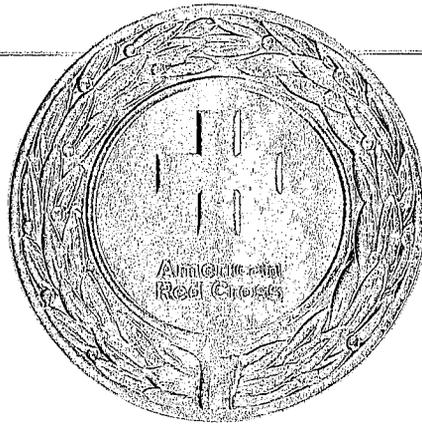

Here, in Northeast Wisconsin and across the country, our American Cross continues to evolve and has set a new course where we all work together, in new ways, under the same trusted symbol. This could not be possible without your vision, leadership, and deep commitment to our community.

The world is a better place because of generous and compassionate people like you and I hope you know how much your support has meant to those we serve. Please accept the enclosed certificate as a small token of our appreciation for your work serving as an American Red Cross board member. We couldn't do it without you!

Happy Holidays,

A handwritten signature in black ink, appearing to read "Steve Hansen".
