VILLAGE BOARD STAFF REPORT

REPORT TO: President Burt McIntyre and Village Board of Trustees

REPORT FROM: Dave Wiese, Executive Director of Community Services

AGENDA ITEM: **Review and take action on a request from Marcus and Sara Vanderleest to rezone parcel VH-262-12, located at 2913 Glendale Avenue from Single Family (R-1) to Business (B-1)**

POLICY ISSUE

Should the Village rezone VH-262-12 from Single Family (R-1) to Business (B-1)?

BACKGROUND

The applicant is requesting to rezone the existing property from R-1 Residential Single Family to B-1 Business. The existing dentist office has been in place for a number of years and the principal structure is located on the lot directly to the east. At its Sept. 19 meeting, the Plan Commission unanimously recommended approval of the rezoning.

REZONING CRITERIA

The Zoning Ordinance requires that "Where the purpose and effect of the proposed ordinance amendment is to change the zoning district classification of a particular property, the Plan Commission shall make findings based upon evidence presented to it in each specific case with respect to the following matters:

1. Existing land uses within the general area of the property in question.
2. The zoning district classification of land within the general area of the property in question.
3. The suitability of the property in question to uses permitted under the existing zoning district classification.
4. The trend of development in the general area of the property in question, including recent changes, if any, in zoning district classification."

POLICY ALTERNATIVE(S)

The Village Board could take the following action:
