REPORT FROM: Geoffrey S. Farr, PE, Director of Engineering

AGENDA ITEM: Review and take action on an amendment to the Municipal Recycling Agreement with Brown County Port and Solid Waste.

POLICY ISSUE

Should the Village Board approve the second amendment to the Brown County Municipal Recycling Agreement?

BACKGROUND INFORMATION

One million dollars in DNR state grants are available statewide to encourage municipal recycling consolidation. The grant money will be distributed to eligible communities on a per capita basis.

Recent changes in the Wisconsin DNR's recycling program funding requires that existing agreements be updated or amended in order to be eligible for the consolidation grant funding.

Brown County has an agreement with member municipalities to participate in education, outreach, collection and transport of recyclables to a materials recovery facility. This agreement satisfies the requirement for consolidation.

The current agreement is in effect until 2022, but in order to be eligible for the consolidation funding, all agreements must be reapproved before October 1, 2011.
