payment on New Value)

\$46,440 incentive projected to be paid in two years

**PRIOR ACTION/REVIEW**

At the April 25, 2011 Village Board Meeting, the Village Board in closed session approved an incentive of \$46,440 for QFP Townhouses, LLC starting in 2013.

**BACKGROUND INFORMATION**

QFP Townhouses, LLC is planning to construct three new 8-unit apartments. They will have a minimum value of \$1,500,000. Construction is underway, and the units should be completed by the end of the year.

**For illustration purposes only, the general net tax rate for the Village of Howard for 2011 was \$17.37 per \$1,000 of value. In subtracting the State of Wisconsin's tax rate from the total net tax rate for the Village, the tax increment rate is \$17.20 per \$1,000 of valuation. Assuming there were \$1.5 million of New Value in 2013 and the tax increment rate remained at \$17.20, the annual payment would be \$25,800.00 as follows:**

**1,500 (\$1,500,000 New Value of Property) x \$17.20 (tax increment rate) = \$25,800.00**

**\$25,800.00 x 90% = \$23,220.00 (annual payment on New Value)**

The annual payment shall be made on the first day of March of each year in 2013 for two years for a total incentive of \$46,440.

**ATTACHED INFORMATION**

**ARTICLE II  
RESPONSIBILITIES OF THE PARTIES**

Section 2.1 **Responsibilities of the Village.** The Village shall be responsible for the performance and all costs incurred for the following subject to Townhouses' performance and the conditions and contingencies described below:

1. **Base Value.** The Base Value for the vacant Property located at 2060, 2070 and 2080 Riverview Drive, as of January 1, 2011 is One Hundred Seven Thousand (\$107,000.00) Dollars.
2. **Townhouses' Guaranty.** Pursuant to Townhouses' Guaranty the new Assessed Value of the Property upon completion of the Project at 2060, 2070 and 2080 Riverview Drive, shall reflect an increase of not less than \$1.5 Million Dollars in New Value over the Base Value of the Property as of January 1, 2012 and on the first day of January each year thereafter that the Village is required to make any annual payments under this Agreement.
3. **Project Completion.** Upon completion in 2011 of the three new 8-unit apartment buildings at 2060, 2070 and 2080 Riverview Drive, will be reassessed in accordance with Chapter 70, Wis. Stats., and have a general real estate tax value of not less than One Million Six Hundred Seven Thousand (\$1,607,000.00) Dollars as of January 1, 2012.
4. **New Value.** For each year of payment, the New Value of the Property and buildings located at 2060, 2070 and 2080 Riverview Drive, shall be calculated by subtracting the Base Values of the Properties from the Assessed Value of the Properties for real estate tax purposes as of January 1<sup>st</sup> for that year and each year thereafter that payments will be made by the Village.
5. **Payment Schedule.** Upon completion of the Project in 2011 and reassessment of the Property as of January 1, 2012, with a guaranteed new Assessed Value of One Million Six Hundred Seven Thousand (\$1,607,000.00) Dollars, the Village will pay ninety percent (90%) of the tax increment real estate taxes generated and collected from the New Value of the Property (not less than \$1,500,000.00) to Townhouses on an annual basis for a period of two (2) years commencing in 2013 subject to the suspension provision at paragraph 7 and the termination provisions at paragraph 8.

The current tax incremental rate that would apply to the New Value is the total net tax rate for the Village minus the tax rate for the State of Wisconsin.

For illustration purposes only, the general net tax rate for the Village of Howard for 2010 was \$17.37 per \$1,000 of value. In subtracting the State of Wisconsin's tax rate from the total net tax rate for the Village, the tax increment rate is \$17.20 per \$1,000 of valuation. Assuming there was \$1.5 Million Dollars of New Value in 2012 and the tax increment rate remained at \$17.20 the annual payment would be \$23,220.00 as follows:

1,500 (\$1,500,000 New Value of Property) x \$17.20 (tax increment rate) = \$25,800.00

\$25,800.00 x 90% = \$23,220.00 (annual payment on New Value)

The annual payment shall be made on the first day of March of each year beginning March 1, 2013 contingent upon verification of the payment of real estate taxes and personal property taxes for the Property. The Village will be under no obligation to make the annual payment until such time as Townhouses has paid all outstanding personal property and real estate taxes for the Property.

6. **Suspension of Payment Schedule.** The Village's obligation to make annual payments shall be suspended for any year that the general real estate tax value of the Property as of January 1<sup>st</sup> is less than One Million Six Hundred Seven Thousand (\$1,607,000.00) Dollars.

7. **Termination of Payment Schedule.** The Village's obligation to make annual payments shall terminate and Townhouses will hold the Village harmless and make no further claim against the Village under the Payment Schedule upon the happening of any of the following events:

- a. Sale or other transfer of the Property without the consent of the Village, which consent shall not be unreasonably withheld.
- b. Assignment of the Property by Townhouses for the benefit of creditors or bankruptcy proceedings involving Townhouses.
- c. Stopping business operations at the Property or reducing the level of operations such as to materially impact the Value of the Property.
- d. Any change in the Tax Incremental Finance Law in the State of Wisconsin which would materially impact the Village's ability to use the tax increment generated by the Property for payment of the annual percentage value to Townhouses or cause the Village to make all or part of the payment from the general tax levy for the Village.

Section 2.2 **Townhouses' Responsibilities.** Townhouses shall be responsible for the performance and all costs incurred for the following:

**A. Building - Project**

Townhouses will construct three new 8-unit apartment buildings at 2060, 2070 and 2080 Riverview Drive per the terms and conditions of the Planned Development Amendment approved by the Village Board on March 22, 2010 which is incorporated herein by reference and made part of this Agreement.

**B. Guarantee**

For payments by the Village to Townhouses, Townhouses is guaranteeing an assessed 2012 real estate value for the Buildings and Improvements at 2060, 2070 and 2080 Riverview Drive, Village of Howard, of One Million Six Hundred Seven Thousand (\$1,607,000.00) Dollars.

**ARTICLE III

Section 3.1 **Indemnification by the Village.** The Village agrees to protect and defend Townhouses now and forever, and further agrees to hold Townhouses harmless, from any claim, demand, suit, action or other proceeding whatsoever by any person or entity arising or purportedly arising from the negligence, willful or negligent misrepresentation, or willful or wanton misconduct of the Village, or their respective employees and/or agents, in fulfilling the obligations under this Agreement or the transactions contemplated hereby.

Section 4.3 **No implied Waiver.** In the event any covenant or provision of this Agreement should be breached by any party and thereafter waived by any other party, such waiver shall be limited to the particular breach so waived and shall not be deemed to waive any other concurrent, previous or subsequent breach hereunder.

In the event the parties cannot agree upon the arbitrator, each party shall select their own arbitrator who shall jointly select a third arbitrator. The third arbitrator shall be the person who arbitrates the matter, and the decision shall be binding upon all parties. The parties share equally in the cost of such arbitrator.
