

# Howard Recycling Drive

In Partnership with Cyber Works

## Our Company

- Cyber Works is technology solutions provider to businesses and consumers through Northeast Wisconsin since 1998.
- One of our goals at Cyber Works is to provide a safe, cost effective and environmentally responsible outlet for the community to dispose of e-waste.

## Proposal

- A one day event, held in Howard, on Sunday October 24 from 9am to 2pm to collect various e-waste from the community.

# Event Details

## Date and Time

- Sunday
- 10/24/2010
- 9am to 2pm

## Location

- Akzo Nobel Sports Complex
- Parking Lots

# Event Information

## Proper Disposal

- All materials will be disposed of in accordance with state and federal guidelines

## Data Destruction

- All hard drives are shredded to ensure maximum data destruction
- Electronic erasure before shredding is available for additional charge \$7.00 per hard drive

# Event Information

## Collection

- All collection will happen on event day
- All materials collected will be removed within 24 hours.

## Transportation

- Schneider National will provide transportation (tentative)
- Alter Recycling will provide holding storage
