### Guidelines for issuance of Kennel License:

Yes

No

An enclosed area is provided for the animals (kept out side) 3'x15' Space for animals 40 lbs or larger (per animal) and 3'x8' for animals less than 40 lbs (per animal).

Area to keep animals which prevents barking nuisance when owner is not present to supervise animals.

Area clean and with non-accumulation of manure to prevent fly infestation and odor nuisance.

This is certify that I, the undersigned, have received copies of the Village of Howard municipal codes relating to animal control and understand that I am responsible for prevention of a barking nuisance, dog litter, keeping animals from running at large. Violation of the codes could result in revocation of kennel permits and/or issuance of citations.

Signed before me this \_\_\_\_\_ day

of \_\_\_\_\_, 20\_\_\_\_\_.
