# VILLAGE OF HOWARD

Dear Howard Resident:

As Village President, I would personally like to welcome you to the Village of Howard. It is an exciting time to live in Howard, as we continue to develop our Village Center and Duck Creek Quarry recreational area. These plans can be obtained from Village Hall or can be viewed on the village's website.

The Village of Howard boasts some of the finest parks and recreation opportunities in all of Brown County. Nouryon (Formerly Akzo Nobel) Sports Complex is a premier sports/recreation facility that consists of four softball diamonds, ten soccer fields, a disc golf course, two concession buildings with restrooms, and a playground. You will discover more information about parks and recreation later in this packet.

The village also provides excellent services for its residents at unprecedented costs. The Village of Howard ranks third in the state in terms of per capita spending. Detailed financial information, including the complete budget document, is available on the village's website. Just because we spend less does not mean that you will see a reduction in the quality of service. The Village of Howard is a full-service community, and our staff is dedicated to providing our residents with first-class services.

The Village Board meets on the second and fourth Monday of every month. All meetings are open to the public, and I strongly encourage you to attend meetings and participate in local government. Our Village Board is very considerate and is willing to listen to any concerns Howard residents may have.

I look forward to seeing you in and around the community!

Sincerely,

*Burt R. McIntyre*

Burt R. McIntyre  
President, Village of Howard

# HOWARD HISTORY & STATISTICS

The Town of Howard was established in 1835 and gradually developed along Duck Creek as a center for mail delivery, farming, quarrying and lumbering. By 1856, Howard had its own school and was quickly becoming well known for its Duck Creek stone quarries. By 1959 the population had grown significantly, and the town incorporated as the Village of Howard.

## Property Taxes

The Village of Howard's tax portion is \$3.92 of the \$18.18/Thousand

- Green Bay Public Schools
- Bellin Health
- Oneida Tribe of Indians
- United Health Care

## Village Statistics

# HOWARD - SUAMICO SCHOOLS

## Why Families Choose the Howard-Suamico School District

### *Quality of education*

**Teachers and staff commitment to their students and community**

**S.T.E.M. (Science, Technology, Engineering, Math) Academy**

**Certified International Baccalaureate (IB) High School Diploma Program**

**Advanced Placement (AP) courses**

**Commitment to technology**

**Orchestra, Theatre, Band, Choir, Arts**

**Facilities**

**Community commitment to education**

Welcome!

Howard-Suamico School District prides itself on delivering a comprehensive education to every child. We are regarded both regionally and nationally as a high performing school system. For example, Bay Port High School has been recognized by Newsweek and the Washington Post as one of the top high schools in the nation. Furthermore, the District was named by the Wisconsin Center for Performance Excellence as a Proficiency Award Winner in 2011.

Our mission is to “work together with families and community to ensure that our students have the knowledge and skills to succeed in a changing world.” Correspondingly, Howard-Suamico has twice been included in the Greater Green Bay area’s recognition as one of the nation’s 100 Best Communities for Young People by America’s Promise. This honor recognizes the broad base of commitment that exists in our community for providing healthy, safe and caring environments for our students. In fact, Kiplinger’s Magazine touted our area as one of its Top Five Places to Raise a Family. Our community is in agreement. In April 2011, 95 percent of parent survey respondents expressed a response of very satisfied or satisfied when asked about the school district. Moreover, 90 percent of community residents recently graded the school district with an “A” or “B”.

Thanks in part to a devoted and award-winning team of employees, our students repeatedly score well above the state average on standardized tests. Transitioning from “effectiveness to greatness” as a school district has become our collective expectation. To attain this goal, we have made significant investments in literacy,

## HOWARD - SUAMICO SCHOOLS

math, technology, facilities, and professional training. The District's strategic plan and tactical allocation of resources fortifies our commitment to helping every child find a unique path in an increasingly dynamic world.

While test results are important, we recognize that the ultimate success of our students is based on so much more than an assessment number. That is, our school community intentionally nurtures, models, and promotes positive character and life skills. Similarly, we believe it is our job to ensure that students graduate from our school system as productive, responsible and civic-minded people. Put simply, the "common good" depends not only on the cultivation of "smart" minds - but also on the development of "caring" hearts.

Forces of change are altering modern life as we know it. As we look to the future, however, we also learn from the past. The "father of public schools", Horace Mann, was right when he asserted more than 150 years ago that the formula for a better world lay in the simple words of the proverb, "Train up a child in the way he should go, and when he is old, he will not depart from it."

I am confident that you will find that Howard-Suamico School District is a special place due to its enduring commitment to the causes of children, character, and community. Best wishes on a positive and productive school year!

Your Partner in Education,

Mr. Damian LaCroix  
Superintendent

## PARKS

The Village of Howard has more than 20 parks and natural areas spanning hundreds of acres that provide excellent opportunities for recreation, relaxation and family fun. Howard's Memorial Park is the trail head of the Mountain Bay Trail, which runs through three counties in northeast Wisconsin and is 83 miles long (6 miles in Brown County).

Nouryon Sports Complex (pictured below) is a premiere recreation facility that features four lighted softball diamonds, ten soccer fields and an 18-hole disc golf course (below left). Various softball and soccer tournaments are held at our park throughout the summer.

Meadowbrook Park is a 92-acre major outdoor recreation area. It consists of a paved trail with walking bridges, gently sloping open areas, wooded lowlands, wetlands and hills. The park also features a playground, a lighted sledding hill, a fully-fenced baseball diamond, a full-size basketball court, an open air shelter, and an enclosed pavilion with kitchen and restrooms.

The Village of Howard also operates Village Green Golf Course and Restaurant. This nine-hole municipal, par 36 golf course presents a challenge to experienced golfers while providing an opportunity for beginners to learn the game as well. During the golf season, the restaurant features a wide selection of American food, with nightly specials and a Friday Night Fish Fry. To learn more, visit [www.howardgolf.com](http://www.howardgolf.com).

Many of Howard's park facilities are available to rent. For more information, visit [www.villageofhoward.com](http://www.villageofhoward.com) or call Village Hall at 434-4640.

2456 Glendale Ave.  
Howard, WI 54313

*Summer Park Program*

## REFUSE & RECYCLING

The Village of Howard contracts with a disposal company to provide weekly trash pickup. Recycling is collected every other week. The Refuse and Recycling Map on the next page will help you determine in which zone you are located and the corresponding trash/recycling day.

A 60-gallon trash cart is provided and should stay with the property. A 90-gallon trash cart is available for an extra \$25 annual fee. Each recycling container costs \$50. You may return your recycling container and get reimbursed if you move out of the village.

Containers should be set to the curb by 6 a.m. Please set your garbage container on the opposite side of the driveway as your recycling container and leave a 5-foot radius from any obstacles (mailboxes, trees, etc.)

The Village of Howard offers seasonal (spring and fall) curbside collection of leaves. Approximate dates for spring collection are from the first Monday in April through the third Friday in April. Approximate dates for fall collection are from the third Monday in October through the second Friday of November. You can learn more about curbside leaf collection and track the leaf trucks on our website.

Yard waste may be brought to the Public Works Facility, 1336 Cornell Road, 24/7 every day of the year. The site also offers free mulch and wood chips for Howard residents.

Curbside collection of brush and special large item garbage takes place on Tuesdays. To request this service, use the icon on the homepage of our website or call Public Works at (920) 434-4060 by 1 p.m. on Monday. Crews will not collect regular garbage, recyclables, toxic waste, tires, concrete, asphalt, shingles or contractors' construction materials.

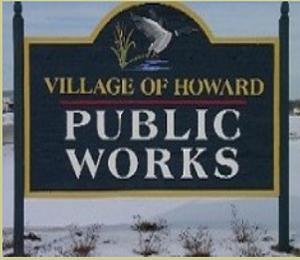

**[CLICK HERE TO SCHEDULE PICK UP OF  
LARGE ITEMS OR BRANCHES/BRUSH](#)**

Public Works

Howard, WI 54313

# REFUSE & RECYCLING

## ***DID YOU KNOW?***

Recycling saves tax dollars! The Village of Howard pays a tipping fee for all of its landfill waste, and often gets reimbursed for the recyclable materials it collects. By diverting recyclables from the landfill and to recycling facilities, the Village of Howard can save thousands of tax dollars every year. Please recycle!

## **THINK OUTSIDE THE BIN**

Recycling means more than just putting recyclable materials in the bin for collection. Recycling is anything that's done to divert waste from the landfill. Consider these alternatives:

- The Village of Howard offers a 24/7 Electronics Recycling Drop Site at the Public Works Facility, located at 1336 Cornell Road. The village will recycle and/or safely dispose of anything with a cord, including appliances, computer equipment, electronics and machinery.
- Do you have other household items? Before you throw them in the garbage, consider ways they can be recycled or reused. Bring clothing, furniture and household goods to the Goodwill Express Donation Center, located at 2465 Lineville Road. The Habitat for Humanity Re-Store in Green Bay gladly will accept remnants from your latest home project, including unopened paints, old cupboards, appliances, windows, tools and more. Schools, libraries, and youth centers often will take used books, music, movies, or craft supplies.
- Do you have other items — including hazardous materials — of which you need to dispose? The Brown County Hazardous Waste site offers a complete guide on how to safely dispose of — or where to bring — these items, including household cleaners, motor oil, paints, pesticides, batteries and more!

Howard Public Works  
Phone: 434-4060

1336 Cornell Road  
Howard, WI 54313

## Curbside Recycling Guidelines

Place recyclables loosely in your bin. **NO PLASTIC BAGS!**

### Plastic

**ACCEPT:**

- ALL plastic bottles & containers
- Household bottles, jars & jugs
- Dairy containers & lids
- Produce, bakery & deli containers & lids

**DO NOT ACCEPT:**

# REFUSE & RECYCLING

# MONTHLY UTILITY BILLING

The Village of Howard prepares a monthly bill for the combined water, sewer and storm water services. The average residential customer uses about 3,800 gallons of water each month for a combined monthly billing of about \$70.

The bills are typically generated on the last day of each month with a due date on the 20th of the following month. Customers can set up their billing to allow for automatic withdrawal from their checking account on the 19th of each month. Automatic billing reduces staff time, paper waste, and mailing expenses while saving residents time and money too. To set up automatic withdrawal, just complete and return the below form to Howard Village Hall, 2456 Glendale Ave., Howard, WI 54313.

-----

The undersigned authorize the Village of Howard to draw by electronic funds transfer from the checking or savings account named below at the financial institution named below, for the amount billed as a water/sewer customer of the Village of Howard. I/we understand that the Village of Howard may discontinue use of the automatic withdrawals at any time. I/we understand that I/we must cancel this authorization at least one week before an anticipated billing and that the Village of Howard will make such notice effective within 5 business days. I/We agree to pay any fees for non-sufficient funds or for submitting an incorrect routing number or bank account number to the Village of Howard.

\_\_\_\_\_  
Your Name(s) Phone No. – Home Work/Cell

\_\_\_\_\_  
Your Water/Sewer Service Address

\_\_\_\_\_  
Your Water/Sewer Account Number

\_\_\_\_\_  
Bank Name Bank Routing Number

\_\_\_\_\_  
Checking or Savings Account # Checking Savings

\_\_\_\_\_  
Signature(s) (of all parties authorized to withdraw funds from above named account) Date

You will continue to receive statements of your account reflecting the amount to be withdrawn from your checking/savings account listed above. You will need to notify the Village of Howard upon making changes to your account. You have the option to stop payments on your account but you will be liable for any fees charged for stop payments and any unpaid bills that result from such action. If funds are not available on your account and the Village is charged for insufficient funds, you will be held liable for such fees. This authorization will remain in effect until the Village receives written notice from you to cancel at least one week prior to issuing a billing.

# ANIMAL CONTROL

*Humane Officer, Monica Hoff*

Monica Hoff is Howard's Animal Control/Humane Officer. She can be contacted by calling (920) 819-6709.

Please report all lost/found pets or injured wildlife. If she cannot be reached by phone, contact the Brown County Sheriff's Department at (920) 391-7450.

## Pet Regulations

- Pets shall not run at large (must be kept on leash or contained in yard)
- Clean up pet waste
- Habitual barking, howling, etc. is considered a public nuisance
- No more than two dogs allowed on one property unless a kennel license is obtained

## Licenses

All dogs and cats must be licensed annually in the Village of Howard prior to April 1. Dog licenses require proof of rabies vaccination.

### DOG/CAT LICENSING

Pursuant to Section 4-49 of the Howard Municipal Code, LICENSING OF DOGS AND CATS IS REQUIRED prior to April first of each year. Please complete the licensing information below, and mail along with the appropriate fee and proof of rabies shot, as well as spay/neuter verification to the Village of Howard, P.O. Box 12207, Green Bay, WI 54307-2207. (Please request if you want proof of rabies shot sent back to you.)

License Fee: Spayed/Neutered \$5.00 per dog/cat ---Not Spayed/Not Neutered \$30.00 per dog/cat. \$5.00 penalty if not licensed by April 1<sup>st</sup>.

Kennel License is required for 3 or more dogs, Kennel License applications are available at the Village Hall - 434-4640.

Kennel License Fee - \$25.00 - plus License Fee for each animal.

LICENSES WILL NOT BE ISSUED UNTIL PROOF OF RABIES SHOT, VERIFICATION OF SPAYED/NEUTERED AND THE APPROPRIATE FEES ARE RECEIVED
