

Date Approved: August 30, 1999

**POLICY TITLE:** Streetlights for New Subdivisions

**AUTHORIZATION:** Village Board Meeting August 30, 1999

**POLICY STATEMENT:**

B. Bartelt questioned street lighting and if the Board wishes it to match the lighting on Cardinal. H. Luxem noted that the planned lighting within the Copp's development is different and asked how they will compare to the lights along Riverview. T. Hoes stated that it will be the same as existing on Riverview.

A motion was made by H. Luxem and seconded by R. Bredael that the streets, Riverwood as well as the road to the south of Copp's be the same street lighting as existing along Riverview and S. Cardinal.

D. Johnson questioned who will pay for the lighting. R. Strazishar feels that it should match but the higher standard and the cost should be developer born.

H. Luxem amended his motion to add that the cost of the lighting will be born by the developer. R. Bredael seconded as amended. Motion carried unanimously.

A motion was made by R. Sachs and seconded by D. Johnson to make it part of the Developer Agreement that movement of the WPS poles be at developer's expense (fully out of right-of-way) 5' for County J and easements for utilities are to be added to the CSM  
Motion carried unanimously.
